

## SJW Group Announces Proposed Offering of Common Stock

November 26, 2018

SJW Group (NYSE:SJW) (“SJW”) announced today that it has commenced an underwritten public offering of 6,750,000 shares of its common stock, par value \$0.001 per share, subject to market and other conditions. SJW also intends to grant the underwriters a 30-day option to purchase up to an additional 1,012,500 shares of its common stock.

SJW intends to use the net proceeds from the offering, together with the net proceeds from debt financing, to finance SJW’s previously announced acquisition of Connecticut Water Service, Inc. (the “CTWS Acquisition”) and to pay related fees and expenses. Pending such use, SJW may invest the net proceeds temporarily in investment-grade securities, money-market funds, bank deposit accounts or similar short-term investments. The offering is not conditioned on the consummation of the CTWS Acquisition. If for any reason the CTWS Acquisition does not close, then SJW intends to use the net proceeds from the offering for general corporate purposes, which may include acquisitions, share repurchases or debt repayment, and SJW will not have any obligation to repurchase any or all of its shares of common stock sold in the offering.

J.P. Morgan, Barclays, RBC Capital Markets and UBS Investment Bank are acting as joint book-running managers for the offering. Janney Montgomery Scott and Macquarie Capital are acting as co-managers for the offering.

The offering is being made pursuant to an effective shelf registration statement filed with the Securities and Exchange Commission (the “SEC”). The offering is being made only by means of a prospectus supplement relating to such offering, including the accompanying base prospectus.
