

H2O America To Report Third-Quarter 2025 Financial Results on Oct 27

October 15, 2025

SAN JOSE, Calif., Oct. 15, 2025 (GLOBE NEWSWIRE) -- H2O America (NASDAQ: HTO) expects to report its financial results for the third quarter 2025 after the close of the market on Oct. 27.

Andrew F. Walters, chief executive officer; Ann P. Kelly, chief financial officer and treasurer; and Bruce A. Hauk, president and chief operating officer, will host a conference call at 11 a.m. Pacific time, (2 p.m. Eastern time) on Tuesday, Oct. 28, to discuss the third quarter results and developments.

Investors, the media, analysts, employee partners, and the public can listen to the live webcast of the conference call by registering at the company's website, [H2O-America.com](https://www.H2O-America.com). An accompanying slide presentation will be published to the company's website prior to the call.

An archive of the webcast will be available until Jan. 19, 2026.

About H2O America

H2O America (NASDAQ: HTO) is a national investor-owned network of local water and wastewater utilities united by one purpose: delivering clean, high-quality water to the communities we call home.

For H2O America, providing water is more than a responsibility—it's a privilege. Every connection we serve helps sustain what matters most: public health, vibrant neighborhoods, and a reliable future.

Across approximately 407,000 water and wastewater service connections, we invest in critical infrastructure to strengthen water supply for generations to come. We stay actively engaged in our local communities while focusing on operational excellence and delivering sustainable, long-term value to our investors.

Water is local—and so are our roots. Through our four regional water utilities—Connecticut Water, Maine Water, San Jose Water and Texas Water—we proudly serve more than 1.6 million people across the country. Together, we protect what's precious.

Forward-Looking Statements

This release contains forward-looking statements within the meaning of the federal securities laws relating to future events and future results of H2O America and its subsidiaries that are based on current expectations, estimates, forecasts, and projections about H2O America and its subsidiaries and the industries in which H2O America and its subsidiaries operate and the beliefs and assumptions of the management of H2O America. Some of these forward-looking statements can be identified by the use of forward-looking words such as "believes," "expects," "estimates," "anticipates," "intends," "seeks," "plans," "projects," "may," "should," "will," "approximately," "strategy," or the negative of those words or other comparable terminology. These forward-looking statements are only predictions and are subject to risks, uncertainties, and assumptions that are difficult to predict. Therefore, actual results may differ materially and adversely from those expressed in any forward-looking statements.

The accuracy of such statements is subject to a number of risks, uncertainties and assumptions including, but not limited to, the following factors: (1) the risks associated with the proposed transactions with Quadvest, including, the risk of the proposed transactions not closing on the anticipated timeline, or at all, the ability to obtain required regulatory approvals, and the ability to successfully integrate Quadvest's operations and realize the projected financial and other benefits of the proposed transactions; (2) the effect of water, utility, environmental and other governmental policies and regulations, including regulatory actions concerning rates, authorized return on equity, authorized capital structures, capital expenditures, PFAS and other decisions; (3) changes in demand for water and other services; (4) unanticipated weather conditions and changes in seasonality including those affecting water supply and customer usage; (5) the effect of the impact of climate change; (6) unexpected costs, charges or expenses; (7) our ability to successfully evaluate investments in new business and growth initiatives; (8) contamination of our water supplies and damage or failure of our water equipment and infrastructure; (9) the risk of work stoppages, strikes and other labor-related actions; (10) catastrophic events such as fires, earthquakes, explosions, floods, ice storms, tornadoes, hurricanes, terrorist acts, physical attacks, cyber-attacks, epidemic, or similar occurrences; (11) changes in general economic, political, legislative, business and financial market conditions; and (12) the ability to obtain financing on favorable terms, or at all (including the financing for the proposed transactions with Quadvest in a timely manner), which can be affected by various factors, including credit ratings, changes in interest rates, compliance with regulatory requirements, compliance with the terms and conditions of our outstanding indebtedness, and general market and economic conditions. The risks, uncertainties and other factors may cause the actual results, performance or achievements of H2O America to be materially different from any future results, performance or

achievements expressed or implied by such forward-looking statements.

Results for a quarter are not indicative of results for a full year due to seasonality and other factors. In addition, actual results, performance or achievements are subject to other risks and uncertainties that relate more broadly to our overall business, including those more fully described in our filings with the SEC, including our most recent reports on Form 10-K, Form 10-Q and Form 8-K. Forward-looking statements are not guarantees of future performance, and speak only as of the date made, and H2O America undertakes no obligation to publicly update or revise any forward-looking statement, whether as a result of new information, future events, or otherwise, except as required by law.
