

H2O AMERICA HUMAN RIGHT TO WATER POLICY

Whereas, H2O America believes that every human being has the right to safe, clean, affordable, and accessible water adequate for human consumption, cooking, and sanitary purposes, consistent with the United Nation's Resolution 64/292 that recognizes the human and sanitation and acknowledgement that clean drinking water and sanitation are essential to the realization of all human rights;

Whereas, the California Public Utilities Commission, The Public Utility Commission of Texas, Connecticut Public Utilities Regulatory Authority and Maine Public Utilities Commission are responsible for ensuring that-investor-owned water utilities deliver clean, safe, and reliable water to their customers at reasonable rates;

Whereas, H2O America's mission is *Trusted professionals, passionate about delivering life sustaining, high quality water and exceptional service to families and communities while protecting the environment and providing a fair return to shareholders;*

It is the policy of all H2O America's water utilities to provide a reliable supply of safe, clean, affordable, and accessible water adequate for human consumption, cooking, and sanitary purposes in accordance with State and Federal statutes, laws and regulations at rates established by our governing Public Utility Commissions.
